

AGAPLESION
Our values unite

Medicine and nursing With love for life

AGAPLESION is a modern healthcare company consisting of the association of social hospitals, nursing facilities and training centres. We have set ourselves the task of uniting excellence in medicine, nursing and management with Christian values. And this is exactly what distinguishes us: patient-oriented medicine and nursing according to acknowledged quality standards.

By means of our in-house nursing schools and the academy, we ensure that our employees are always up-to-date. We offer perspective and future in a dynamic company - for people who want to do meaningful work.

AGAPLESION is the alternative for excellent medicine and nursing with a heart.
