Our values unite

Assistant Physician (m/f) for the Clinic for Anaesthesiology

The anaesthesia tends to the surgical clinics and the interventional radiology of the clinic with more than 8,000 anesthetics per year and leads the intensive care unit with 36 beds. In addition, our anesthesiologists take on emergency medical service in the city of Wuppertal. The conditions for the additional terms "Intensive Care" and "Emergency Medicine" can be acquired at the clinic. The chief physician, Dr. med. Hans-Günter Neumann, has full authority to further education in specialist training for 60 months.

Moreover, all special thoracic surgical, neurosurgical and gynecological and obstetrical anesthesia required after the training order, are being performed routinely.

AGAPLESION is a modern healthcare company consisting of the association of social hospitals, nursing facilities and training centres. We have set ourselves the task of uniting excellence in medicine, nursing and management with Christian values. And this is exactly what distinguishes us: patient-oriented medicine and nursing according to acknowledged quality standards.

By means of our in-house nursing schools and the academy, we ensure that our employees are always up-to-date. We offer perspective and future in a dynamic company - for people who want to do meaningful work.

AGAPLESION's promise to its employees:

- Intensive professional and methodical improvement
- Systematic advancement of executives
- Individual personnel development
- Meaningful work, work-life balance
- Working environment adapted to the needs of all generations
